**Age Division Determination:** Age on January 1<sup>st</sup> the year of the tournament

### **Individual Hunting and Wildlife Contest Divisions:**

Beg. Ages 8-11  
Jr. Ages 12-14  
Sr. Ages 15-19

### **Event Description**

Wildlife Identification event includes wildlife identification and management and wildlife management techniques and/or scenarios. Participants will be asked to identify specimens or parts of specimens including skulls, furs, wings, feathers, antlers/horns, tracks, scat, or other signs.

All specimens selected for the competition can be hunted or trapped somewhere in Michigan and will be composed of mounted or tanned hides; depending on availability. Animal tracks may be original or molds made from prints. Other wildlife signs may be real or reproductions.

Wildlife identification and management questions may consist of true/false, multiple choice, matching, short answer, fill-in-the-blank, ranking alternative choices, or any other objective testing method the officials may choose.

### **Course**

The course will include at least 15 specimens and/or questions pertaining to Michigan wildlife and will require identification, analysis, or interpretation.

### **Time Limit**

Participants will move through the course expeditiously without undue delay. Participants will be timed as they move through the course.
