

Allegan County 4-H Horse Project Sponsorship Invitation

Advertising and Sponsorship Opportunity!

The Allegan County 4-H Horse Leaders invites you to become a sponsor in support of our horse program youth and activities. The Horse Leader's loyal crew of volunteers organize many activities throughout the year including 10+ horse shows and our long-running 5-Day Horse Clinic. New this year, youth can earn points for participating in these activities plus other clinics, educational seminars, MSU opportunities and State competition. Your support helps reward these dedicated youth with program scholarships, show/clinic tuition assistance, year-end awards and picture plaque awards for the Allegan County Fair. There is not a need to be related or associated with the Allegan County 4-H Horse Project members or leaders. Your sponsorship makes a huge difference! We thank you for your consideration.
