

**MSU Center for  
Systems Integration and Sustainability**

# **China's Eco-Civilization and Sustainable Development: Characteristics and Challenges**

## **Tiejun Wen**

*Executive Dean  
Institute of Advanced Studies for Sustainability  
Renmin University of China*

Tiejun Wen is a renowned expert on social-economic sustainable development and rural issues, especially in policy studies, macro-economic, geo-strategy of south-south cooperatives, and long-term inclusive growth. He has received numerous honors and awards, including the First Rank Award for Science and Technology Progress from the Chinese Ministry of Agriculture and the First Rank Award for Teaching and Education from the Beijing Municipal Government.

---

**Monday, March 3 • 4 p.m.  
Room 105 • Manly Miles Building**

---

Wen's lecture is co-sponsored by the Detroit Chinese Business Association and the MSU-China Entrepreneur Network.

The lecture is free. An RSVP to Shannon Davis at [davissr@anr.msu.edu](mailto:davissr@anr.msu.edu) is appreciated
