

## Employer Evaluation of Michigan State University Horticulture Internship Program

**Intern:** \_\_\_\_\_

**Company Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_ **Supervisor:** \_\_\_\_\_

**Instructions:** The Horticulture Department at Michigan State University continuously evaluates our degree program for appropriate and desired student learning outcomes. As an employer, your feedback is critical to this process. Please complete this survey and return it to Susan Gruber (grubers@msu.edu) by September 1<sup>st</sup>. Please rate on each provided scale your evaluation for the student in the following categories:

### **The student's initial educational/technical preparedness for the position**

- Outstanding
- Very good
- Average
- Marginal
- Unsatisfactory

### **The student's demonstrated competence with lab/field-based technologies**

- Extremely competent
- Very competent
- Competent
- Somewhat competent
- Not competent

### **The student's ability to anticipate and recognize problems, identify causes of these problems, and evaluate solutions**

- Outstanding
- Very good
- Average
- Marginal
- Unsatisfactory

### **The student's ability to communicate effectively with peers and supervisors**

- Outstanding
- Very good
- Average
- Marginal
- Unsatisfactory
