

HOOKED RUG GUIDELINES

1st Year

Introduce member to the craft, proper use of the latch hook tool, and finishing techniques.

2nd Year

OBJECTIVES: completion of a larger, more detailed project. Encourage an awareness of color and design in a project.

SUGGESTED PROJECTS/EXHIBITS: A larger size project with more color and detail in the design. Mixing forms or rug making is encouraged (i.e. animal shape).

3rd Year

Design may be traced from existing picture (i.e. coloring book) or be an original design. No kits allowed or pre-print canvas. A variation of yarn types and/or lengths must contribute to the design. Indicate if pre-cut yarn used or if member cut own yarn. Encourage youth to create original design.

Advanced

Project members must exhibit an original design. This design should show an awareness of color combination, texture, and good design features.

Please attach original design sketch. A cost sheet should be included with exhibit (included in guidelines). Members are to cut their own yarn.
