STATEWIDE 4-H NEWS

National 4-H Week: October 2-8, 2022

For over 100 years, 4-H has inspired families, shaped careers, and impacted communities. From October 2-8, we will celebrate the impact of 4-H during National 4-H Week. Here are some ways you can celebrate 4-H!

Wear Your 4-H Gear — Nothing says 4-H pride like a 4-H tee! Dress yourself (or the entire family – pets included!) in 4-H green and clover gear.

Shout-Out a 4-H'er — Recognize the hard work and dedication of 4-H'ers by shouting out one youth or an entire club on social media, in a local newspaper or other media.

Storefront Displays/Information Booths — In some communities, you can ask local businesses to display 4-H posters, flyers, showcase the work of 4-H'ers, or host a table to share information about your local 4-H program. Stores may also be willing to dedicate their entire storefront to 4-H signs, memorabilia, and décor for the week.

Become a 4-H Volunteer — If you are a 4-H alum, you might be looking for ways to reconnect with 4-H. Consider giving your time to a local 4-H club by becoming a volunteer.

Share Your 4-H Story — Take to social media to [share a 4-H memory](#), express how 4-H shaped who you are today, describe what 4-H means to you, post an old 4-H photo, or shout-out your 4-H club.

Have a 4-H Reunion — [4-H alumni](#) often credit 4-H for the connections they've made, remembering the friends they made and those who they may still keep in touch with today. Gather your old 4-H friends and spend some time together reminiscing on your 4-H experience or recreate a 4-H project together!

Send a 4-H 'Thank You' — We all have a reason to thank our local 4-H staff, leaders and supporters. To show your appreciation, send a handwritten 'thank you' note to someone who has supported youth and made a difference.

Give Back — Local programs are always looking for resources to continue growing 4-H for the future. Help programs thrive by [making a donation](#) that can help support your county 4-H program.

Tips for a successful 4-H club

4-H is a learn-by-doing, educational, fun program for young people ages five to nineteen. Through involvement with caring adult volunteers, 4-H members gain meaningful experiences that contribute to their development and personal growth. The value of the experiences depends largely on the relationship built between and among the members and adults. Active participation in a 4-H club supports young people to develop life skills and assets.

A model 4-H club includes the following:

- At least five youth members from two or more families.
- One or more registered adult volunteers (who has completed the Volunteer Selection Process and became a Gold Status Volunteer).
- Decision making and operation of the club is the members' primary responsibility.
- Six or more club meetings during the 4-H year (Sept. 1 to Aug. 31).
- Participation in learning experiences outside the local club
- Involvement in the community at large with service-learning activities.
- Evaluation and recognition of progress on individual and group goals.
- Fundraising should be done for the good of the total group and must be consistent with the Michigan 4-H Treasurer's Record Book; raising funds should not be the main focus of group activities.
