

Department 83B Division 5 Class 3 Ages 15 thru 19

MACOMB COUNTY MICHIGAN 4H

**Macomb County 4H and Youth
Wool Breeds Sheep
Record Book**

Wool Breeds Sheep Project Book Instructions:

Completeness 25 points

Print out all the pages in this book and complete them.

The book **MUST** be completed on the form provided by 4-H.

The judge will be evaluating whether each section is filled out completely.

If something is not at all applicable to you and your animal (i.e. Income from goat project) please make a note stating that it does not apply.

As you progress into higher level books, the judge will expect more detail.

Be sure you only focus on the current 4-H year.

Neatness 20 points

It is best if you can type the responses on the form.

If you must do it by hand, print neatly.

Do not use pencil, or at least use a dark enough lead that the judge can easily read it.

Many erasures mean you should redo a page.

Grammar and correct spelling are a part of neatness.

Picture of 4-H Member and goat, plus story 15 points

Photo is self-explanatory.

Story should be longer as you get older, and should focus on the current year for you and your goat.

If you need more space than provided in the book, you may add a page.

Creativity 15 points

You may use a duo tang folder or a three-ring binder.

The cover may be decorated in any manner, but should not exceed the height and width of a regular binder more than a small edging trim.

Stickers, extra photo pages, your own artwork, ribbons you earned, etc. are part of the creativity too.

The required forms should appear **BEFORE** any additional pages.

Interview 25 points

Be pleasant with the judge, introduce yourself, and be prepared to discuss your experiences in 4-H.

The interview may cover more than the project book in scope of your year in the project.

Eye contact, speaking audibly and clearly, and being interested in your project area are important.
