# 4-H Family News

April 2020

## The Show will go on

We have been directed not to meet face-to-face until after September 1, but that hasn't dampened Missaukee County 4-H Advisory Council President Katiane Myers' enthusiasm for programs in our county. She came to me with new program ideas and ways to make existing programs possible without meeting face-to-face.

On page 2 of this newsletter is information about the Missaukee Summer Classic, a beef show she started last year and expanded for this year. In addition, the Council has decided to sponsor any Missaukee County youth that wants to participate. Page 3 is dedicated to competitions she has created for this summer.

Thanks to Katiane and the other amazing members of the Council for working together to make our program fantastic this summer and always.

Sincerely,  
Brandie

As novel coronavirus (COVID-19) pandemic continues to evolve, Michigan State University Extension remains focused on the health and wellbeing of its participants, volunteers and employees. Per university guidance, MSU Extension staff have been asked to find alternative delivery methods for all in-person activities scheduled through September 1. If a virtual method is not practical, the event must be canceled or postponed until after September 1.

This applies to our Michigan 4-H volunteers and youth as well. You are encouraged to move upcoming events to an online format such as Zoom or Skype. If a virtual option is not practical, please postpone or cancel in-person 4-H meetings and activities scheduled between now and September 1.

Although face-to-face programs and events will not take place through September 1, MSU Extension will continue in its mission to serve communities. Visit the [Remote Learning and Resources online space](https://www.canr.msu.edu/rlr) at [canr.msu.edu/rlr](https://www.canr.msu.edu/rlr) for a collection of online offerings that can be enjoyed from home, including resources for school closure activities. Thank you for your support and understanding.

Michigan State University is an affirmative action/equal opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Issued in furtherance of MSU Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jeffrey W. Dwyer, Director, MSU Extension, East Lansing, MI 48824. This information is for educational purposes only. Reference to commercial products or trade names does not imply endorsement by MSU Extension or bias against those not mentioned. The 4-H Name and Emblem have special protections from Congress, protected by code 18 USC 707.
