STATEWIDE 4-H NEWS

MSU Extension partners with legislators to host first Michigan 4-H Day at the Capitol

On Wednesday, October 4, Michigan State University Extension hosted the first Michigan Day at the Capitol, in partnership with State Reps. Matthew Bierlein (R-Vassar) and Reggie Miller (D-Van Buren Twp.). The event, held at Heritage Hall, showcased the positive impact of the Michigan 4-H program and brought visibility to its efforts throughout the state.

“Michigan 4-H Day at the Capitol was a great opportunity to educate about and bring awareness to the 4-H program,” said Quentin Tyler, director of MSU Extension. “We truly appreciate Reps. Bierlein and Miller for their collaboration in hosting this event.”

Michigan 4-H is the flagship youth development program of MSU Extension and reaches nearly 100,000 young people ages 5 to 19 each year. Through various activities, clubs, groups, programs and events, 4-H’ers are offered hands-on learning experiences where they can explore their passions and interests while growing confidence, life skills and a sense of responsibility.

“Michigan 4-H is helping to grow youth in every county of our great state but we would like to reach even more young people with the life-changing program,” continued Tyler. “We hope that our event brings us closer to that goal by increasing the visibility of our 4-H program and all that we offer to youth in our state.”

Michigan 4-H Day at the Capitol was attended by legislators, stakeholders and members of the public. At the event, attendees had the opportunity to visit informational booths hosted by Michigan 4-H youth and staff. A brief program was also held, with event hosts Reps. Bierlein and Miller delivering comments to the audience. Also providing comments were Tyler, MSU Interim President Teresa Woodruff, Genesee County Clerk Register of Deeds Domonique Clemons, who is a Michigan 4-H alum, and Lenawee County 4-H’er Lia Kurowicki.

The program was livestreamed on the Michigan 4-H Facebook and can be viewed at www.facebook.com/Michigan4H. To learn more about Michigan 4-H, visit www.canr.msu.edu/4h.

Michigan 4-H license plate proposed

On Tuesday, September 26, legislation was unveiled that if passed, will create a new fundraising license plate that would generate support for Michigan 4-H. State Reps. Matthew Bierlein, of Vassar, and Reggie Miller, of Van Buren Township, sponsored the legislation which would allow for the creation and sale of a Michigan 4-H plate through the Secretary of State.

The plans would create the 4-H fundraising plate and establish regular disbursements from the license plate sales to the Michigan 4-H Foundation. Led by a board of trustees, the foundation works in partnership with MSU Extension and Michigan 4-H Youth Development to support programs to prepare youth for meaningful and productive lives.

The bills were referred to the Michigan House Committee on Transportation, Mobility and Infrastructure. On October 11, Michigan 4-H Foundation Director Abbey Miller and MSU Extension Associate Director Dr. Deanna East testified before the committee in support of the 4-H fundraising license plate legislation.
