Additional Project Book

REQUIREMENTS

Novice (first year): Pick one item from list below and complete.

Juniors (11-14): Pick one item from the list below and complete.

Seniors (15-19): Pick two items from the list below and complete.

- *Create a pedigree or lineage chart for your project animal.
- *Create a chore chart of daily, weekly, and monthly chores necessary to properly care for your animal.
- *Create a crossword puzzle with terms/definitions that relate to your goat project.
- *Create a picture and label the parts of your or a goat. (Not something already completed online).
- *Make a retail meat cut diagram and include where the cuts come from on the goat. What is the most expensive cut right now on the market?
- *Goat meat and milk products are the most consumed in the world. Why is goat milk and meat less popular in the United States? Is goat meat and milk gaining popularity in the US? Why or why not
- * Research & provide a summary of by products that could come from your goat project.
- * Research and write an essay on a common disease the goat industry is facing today including prevention, treatment, symptoms, diagnosis, best practices, etc.
- *Write an essay about at least 5 different breeds or cross breeds leading the goat industry in the US today. Include heritage, physical characteristics, nick names, merits, etc.
- * Tell us about your ideal goat project. Be descriptive and include what physical traits your ideal goat has that your current project does not.
- *Another project of your own creation that illustrated your knowledge of your project. Check with your 4-H leader or 4-H Coordinator if you need assistance.
