

# Get in the Act! Take 1

**Get in the Act!** is different from many traditional career planning tools that focus on job applications, resumes and interviewing. **Get in the Act!** activities help middle school youth look at personal qualities, teamwork and critical thinking skills as they prepare for the world of work.

## Get in the Act! Take 1 Learning Objectives:

### Chapter 1 - Personal Qualities

- Building positive self-confidence
- Honesty
- Trust
- Demonstrating integrity and honesty

### Chapter 2 – Teamwork

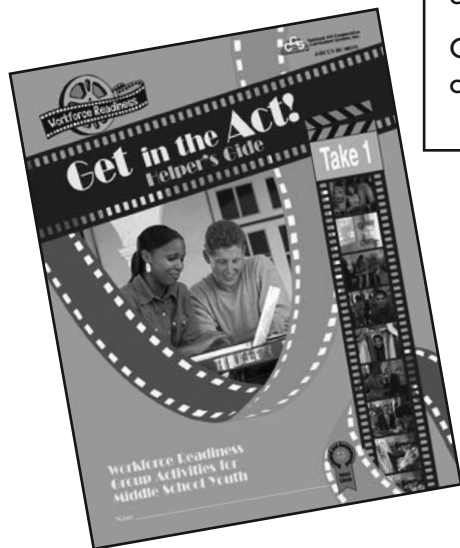

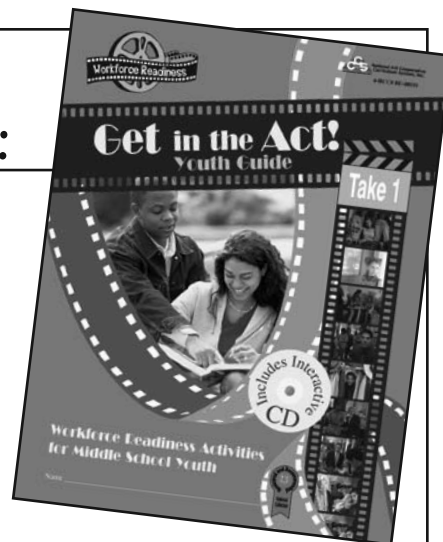

- Communication
- Leadership
- Acceptance
- Respect
- Diversity

### Chapter 3 – Thinking Skills

- Interviewing
- Evaluation
- Diversity
- Research

Get in the Act! includes a fun, interactive CD that is made up of two parts: “Exploring Your True Colors” helps young people learn their personality type to identify potential job areas for consideration. “On the Job Choices” illustrates common youth workplace challenges.

Get in the Act! has an online project site. Go to <http://www.n4hccs.org> and click on “Projects Online” and then click on “Workforce Readiness.”
